

# PERSONAL BRAND HEAD SHOTS

With award-winning Makeup Artist & Visual Corporate Stylist Amanda Ramsay and her Photography expert.

It's time to freshen up your personal brand. You've been putting off getting new head shots for ages, as you think it's all a bit scary, intimidating and awkward - well that was before you found us! Fear no more, because Amanda Ramsay Head Shot days are far from the strained, uncomfortable, boring headshot shoots of the past. We are all about creating a SAFE space for you to SHINE and actually have FUN while getting AMAZING photos of yourself and a bunch of makeup tips to take with you for future photo opportunities.

I promise it isn't as painful as you think, we are experts in making you look the best version of yourself. Consider that people judge you within 7 seconds - even less when the image is online - long before you've even had a chance to impress them with your amazing knowledge. Your head shot is critical to people engaging with your story and your business.

A Head Shot session is brilliant for your LinkedIn/Social profiles, website and anywhere your image should be. Pictures are delivered within 2 - 5 days.

“

Amanda and her team made me feel as if I really matter, I had a smile on my face all day.

This is something I will remember and I feel so much better about myself. I will show confidence I haven't felt in a long time.
