Our purpose is to provide an environment
where motivated people can meet like minded
professionals and enjoy an educational and
fulfilling event.

The Women of Influence Committee work hard
to ensure our events run smoothly, on time and
that we deliver value.

connect, learn & grow

We want our guests to feel that they:

- are comfortable and included
- can meet like-minded people
- will build their community
- learn from our engaging speakers
- give back by donating to charity
- enjoy a well-run event at a great venue.

our guests

Women of Influence guests are professionals,
managers, practitioners, businesses owners,
consultants, lawyers, bankers, doctors, accountants,
stockbrokers, students, real estate agents, retailers,
financial planners and more....

We welcome business people from any industry who
want to further their career, develop their skills and
meet others. Although we are WOMEN of Influence we
also welcome many brave men to our events.

Our guests attend our events to not only connect and
learn but to enjoy themselves, be entertained and
enlightened by our speakers, to grow their own
personal brand and that of their business.

The Women of Influence community is warm, friendly,
authentic, and professional environment. We don't
encourage pushy salespeople, canvassing or any
aggressive marketing behaviour.

the benefits of sponsorship

Women of Influence enjoys a wonderful relationship with our sponsorship partners; who in turn benefit from positive exposure and warm introduction to our guests, speakers and other supporters.

We work with all partners to ensure the relationship is mutually beneficial and rewarding.

We recognise the value of our partners investment and strive to make it worth their while.

Our partners support us to gain access to our network of professionals. Our guests are a unique mix corporate, small and medium sized business women and men, some who have been attending our events since they began in 2005. The community is all about meeting and supporting like-minded people.

Women of Influence offers excellent brand awareness and introduction to contacts and opportunities in the Gold Coast business community.

our events

After 15 years of running business events, we have worked out a successful formula. We hold at least four events each year, three are breakfast events and our final event of the year is an afternoon high tea.

For the breakfast events, the agenda is to start at 7:00am and finish by 9:00am, with breakfast, time to connect with others and an interesting, educated and engaging presenter to learn from.

Our events are held around the same month and with a consistent format as follows:

MARCH - International Women's Day (IWD)

A Keynote speaker or interview to tie in with the IWD theme

JUNE - The Annual Great Debate

Traditional debating format - controversy, intellect and humour!

SEPTEMBER - Breakfast Event

A Keynote speaker

NOVEMBER - High Tea

An afternoon of business bubbles and delicious high tea
