connect . learn . grow

ABOUT US

Women of Influence is a community for business professionals to **CONNECT, LEARN & GROW.**

Our purpose is to provide an environment where motivated people can meet like-minded professionals and enjoy an educational, entertaining and fulfilling event.

The Women of Influence Committee work hard to ensure our events run smoothly, on time and deliver value. We have been running events since 2005 and enjoy planning a mix of breakfast events and a high tea to finish off the year.

Our committee members work in a range of industries. We volunteer our time and skills to plan and facilitate each event.

We gain a great deal by way of brand awareness, career development, learning new skills and forming fantastic relationships.

OUR CHARITY

We are a not-for-profit organisation and we strive to make a difference by raising awareness and funds for our charity partners.

We have a long-standing relationship with RADFLY Inc (Realise A Difference for Local Youth) and support them to help youth on the Gold Coast through YESHouse and Arcadia College.
